

36th Pezcoller Symposium

STUDYING AND TREATING CANCER IN THE DIGITAL ERA

ABSTRACT SUBMISSION, SUPPORTS and AWARDS POLICY

REGISTRATION FEE

€300 for researchers from institutions outside Trentino

€100 for researchers from Trentino institutions

Registration fee includes:

- participation to all sessions of Symposium, including the "Career Development Panel Discussion";
- the printed Pezcoller Journal with all abstracts of lectures and poster presentations;
- all lunches, coffee breaks and cookie breaks during the Symposium;
- the Symposium social dinner, on the first day.

The registration fee must be paid at the moment of registration and abstract submission.

No reimbursement is provided, independently from the ranking of the abstracts or eventual prizes and EACR-AACR-Mark Foundation Travel Grants.

ABSTRACT SUBMISSION AND RANKING SYSTEM

The Pezcoller Foundation manages the submission of abstracts for the 36th Symposium and notify the acceptance or not.

Only one abstract per laboratory/research group will be accepted.

All abstracts will be blindly reviewed by the Evaluation Committee, which will rank them on a scale from 1 to 5, based on quality and relevance to the topic of the Symposium.

EVALUATION COMMITTEE

The members of Evaluation Committee are nominated by Pezcoller Foundation, EACR, AACR and Mark Foundation.

SUPPORTS and AWARDS

To encourage young researchers to submit an abstract for poster presentation, some supports are offered:

- **Best Poster Lectures:** the authors of the three best abstract overall will have the honor to present their work during the plenary session. Independently from their country of origin, and whether they receive or not an award or Travel Grant.
- **Awards:**
 - Begnudelli Awards for **€500/each** provided by Pezcoller Foundation, to the authors of the three best abstracts who work in Italian Institutions.
 - **€500/each** to the authors of top abstracts who work in non-Italian Institutions and are members of AACR and EACR, provided by EACR, AACR and Mark Foundation.
 - "EMBO Poster Prize" for **€200** to the author of the best poster, chosen by participants, during the Symposium. Provided by EMBO Press.
- **EACR-AACR-Mark Foundation Travel Grants:** a support for travel and accommodation costs to help EACR and AACR members who need financial assistance.

Applications will be reviewed based on financial need and taking abstract scores into account.

Travel Grant applications must be submitted on the EACR website: <https://eacr.org/travel-grants-pezcoller-symposium>, only by EACR or AACR members.
